

Adaptive Discount

- Skiers with a disability that requires use of a specialized device to use ski lifts and slopes may claim a \$1,000.00 discount off the retail price of any iSkibike package.
- Individuals meeting the Americans with Disabilities Act definition of disability: “A physical or mental impairment, which is expected to last more than six (6) months, that substantially limits major life activities . . .” - - qualify for this \$1,000.00 adaptive discount.
- Organizations & Programs providing services to individuals meeting the Americans with Disabilities Act definition of disability also qualify for this \$1,000.00 adaptive discount.
- Proof of disability may be required. State-issued disability parking placards, a Federal disability Access Pass, other government-issued proof of disability cards, a written representation of disability prepared by a qualified medical practitioner, or a verbal representation by the skier which is not contradicted by observable fact, shall all be accepted as a credible assurance that the skier has a qualifying disability.
